

Technology Zone Program

Falls Church is the only jurisdiction in the Commonwealth of Virginia that has the entire city designated as a Technology Zone. Designated technology businesses located within the boundaries of Falls Church are eligible for total exemption from their Business, Professional and Occupational License (BPOL) taxes, for up to three years. For technology companies locating within the City, a simple request can translate into thousands of dollars saved every year, especially during the critical start-up period.

Examples of potential savings are outlined below:

**Waived Tax Liability for Three Years for
Businesses Paying \$0.36 per \$100 of Gross Receipts**

<u>Gross Receipts</u>	<u>Savings</u>
\$500,000	\$1,800
\$5,000,000	\$18,000
\$50,000,000	\$180,000
